

## **Position Statement**

<b>Position Statement On Botox</b>
------------------------------------

It is the position of the Tennessee Board of Dentistry that the use of botox falls outside the scope of practice for Tennessee dentists except for those dentists who possess documented cosmetic training in accordance with board rule 0460-2-.06(8).

**Adopted by the Board of Dentistry on the 21<sup>st</sup> day of September, 2006.**

**Amended by the Board of Dentistry on 13<sup>th</sup> day of September, 2007.**
