### **POLICY STATEMENT ON ACCEPTANCE OF THE AMERICAN BOARD OF DENTAL EXAMINERS, INC. (ADEX) EXAMINATION**

The Tennessee Board of Dentistry has determined that the American Board of Dental Examiners, Inc. (ADEX) examination is closely aligned to the examination given by the Southern Regional Testing Agency (SRTA) as of January 1, 2010.

Accordingly, it is the Board's policy that any applicant for licensure by examination who relies on ADEX scores must have successfully completed such examination after January 1, 2010 in order to meet the requirements for licensure by examination. Successfully completing the ADEX examination before January 1, 2010 does not enable an applicant to meet the Board's requirements for licensure by examination.

Adopted by the Board of Dentistry on April 28, 2011.
