Overall Lead	Topic	Summary/Decisions	Assignments / Next Steps	Responsible Person	Time Frame
Donna Tidwell	Approval of Minutes	Roll Call and introduction of new members. Minutes approved..			
Donna Tidwell	Introduction of new EMS Staff	Announced Debbie Cox will be coordinating evaluators for all NREMT exams.			
		Announced the loss of Carmen Burnett, former IC and Educator for Putnum Co. EMS. Active CPR coordinator for Putnum Co. Trained over 4000 in AED CPR school program. Had two children 8 and 15.			
		Committee reminded that each Educational EMT Program and Paramedic Programs have a vote. Institutions with both EMT and Paramedic Programs have two votes. Each Region Directors Training Coordinators group has one vote.			
	Committee Reports				
Dr. Holley	Clinical Issues	Discussion with Mission One representative, Dr. Chambers as to Regionalization of medical direction of STEMI care. Working on a project with mission one to possibly find funding for 12 leads monitors and training for primary 911 services. RSI project 6 month overview approx. 300 runs reviewed. No issues found will recommend to board to continue service QA all runs and a the policy statement reissued concerning documentation of competency every 6 months for those services using RSI. Need to revisit drug requirements as some drugs required by rules are not standard of care now.			
Ric Collier	COPEC	Reported saw a 48% reduction in mortality in 1-9 year olds. Injury prevention programs seem to be making a difference. May 10, is Star of Life Banquet at Sheraton. Flip charts and books are out of date please remove from your class room. Ric reported on the Red Cap data base rolling out in each CRPC which will capture issues to be addressed with retraining for both hospital and EMS personnel. CoPEC is requesting a mechanism for recommendation for licensure renewal requirements.			
Liz Henley	Ventilator Course Update	Transport Ventilator Course updates approved unanimously and moved forward for board approval.			
Eric Powell	Bridge Transition Course.	Patho review camptasia program being used to create online portion. Check offs being developed.			

EDUCATION COMMITTEE MINUTES

Donna	Rules update	OGC advises no new rules until Governors office approves. Hope to have approval by June. Bills in legislation only one to effect EMS Board is Sunset law, passed both house and senate committees in Governors office for signature.			
Donna	NREMT Results	Donna presented fourth quarter 2010-first quarter 2011 results for 1 st attempt on Paramedic and EMT Basic.			
	Old Business	Dennis Parker ask for committee to review skills manual. Will try to get emailed before next meeting to committee members.			
Phil Sanderson		TEMSEA upcoming conference July 21-22, 2011 Memphis TN. Brochure online at TEMSEA website. Great Program encourage members and non members to attend.			
Donna Tidwell	Next Meeting	June 21, 2011, 227 French Landing Iris Room at 1pm. Meeting adjourned. 1500
