	Committee Reports				
Donna Tidwell	Clinical Issues	Canceled due to floods no report			
Ric Collier	COPEC	Working with Pediatric training templates hope to finish in July. There seems to be a problem with EMS not recognizing Sick Kids. Reminder to remove the old pedi flip charts that had been provided by CoPEC. Working on other and a website for the information to be downloaded.			
Eric Powell	Bridge Transition Course.	Continue to make progress on project. Working on online piece. Will have ready when we begin transition.			
Donna Tidwell	NREMT New Levels	To maintain NREMT must complete all requirements of NREMT including Refresher course which includes state transition materials. When TN begins transition than we will create statement to be on all Refresher Certificates. Course must have required NREMT hours, however transition material may be less because of current curriculums taught in TN			
Donna Tidwell	Transition	. TN will not begin transition to new levels until rules are changed. Individuals will be given adequate time to transition once rules is implemented. Schools will be given ample time to transition to new educational standards.			
Donna Tidwell	Rules update	Education and scope of practice are in review in OGC. Hope to have them to board in December.			
Donna Tidwell	NREMT Results	Donna presented 2 nd quarter results for 1 st attempt on Paramedic and EMT Basic.			
Ric Collier	Curriculum Task Force	Met in June, committee has defined objectives needed now task is to review current curriculum and update with new standards. Committee will have document ready when new standards are adopted.
