**Statement of Deficiencies and Plan of Correction**

**Name of Provider or Supplier:** Greenhills Health and Rehabilitation

**Address:** 3999 Hillsboro Circle, Nashville, TN 37215

**NG 832 1200-8-6-.08(2) Building Standards**

(2) The condition of the physical plant and the overall nursing home environment must be developed and maintained in such a manner that the safety and well-being of residents are assured.

This Rule is not met as evidenced by:

Based on observations, it was determined the facility failed to comply with the Tennessee State Building Standards.

The findings included:

1. Observation of the 3rd floor handicapped bathroom located in the break room and the 1st floor handicapped bathroom located in the break room on 1/4/11 at 10:28 AM, revealed there were no strobe lights installed in the rooms. American Disability Act.

2. Observations on 1/4/11 at 10:38 AM, revealed stained ceiling tiles in the following rooms:
   - Tennessee Department of Health 1200-8-6-.08(2)
     - 3rd floor electrical room.
     - 2nd floor housekeeping closet by room 237.
     - 1st floor business office.
     - 1st floor medical supply room.

These findings were acknowledged by the Administrator and verified by the Director of Maintenance at the exit conference on 1/4/11.

This facility will comply with the TN State Building Standards as evidenced by the following:

The 3rd floor bathroom is no longer designated as a handicapped bathroom. Designated Handicapped bathrooms have strobe lights that comply with this ruling.

Stained ceiling tiles located in the electrical room on 3rd floor, 2nd floor housekeeping closet, 1st floor business office and medical supply room have been replaced.

The Maintenance Director will conduct monthly inspections through out facility to ensure building standards are met. These findings will be reported and reviewed at QA&A monthly x3.
