N 729 1200-8-6-.06(6)(b) Basic Services

(6) Pharmaceutical Services.

(b) Poisons or external medications shall not be stored in the same compartment and shall be labeled as such.

Tennessee Code Annotated 68-11-804(c): All internal and external medications and preparations intended for human use shall be stored separately. They shall be properly stored in medicine compartments, including cabinets on wheels, or drug rooms. Such cabinets or drug rooms shall be kept securely locked when not in use, and the key must be in the possession of the supervising nurse or other authorized persons then on duty.

Based on observation and interview, it was determined 1 of 10 nurses (Nurse #1) left an insulin filled syringe unattended and out of her view on a resident's overbed table.

The findings included:

Observations in Random Resident (RR) #1's room on 1/25/11 at 8:00 AM, Nurse #1 left RR #1's room to get a lancet and left an insulin filled syringe on RR #1's overbed table, unattended and out of her view.

During an interview in the 100 hallway on 1/25/11 at 9:25 AM, Nurse #1 stated, "...I left the insulin syringe on the table... I should have taken it with me."
