(1) The missing home must be constructed, arranged and maintained to ensure the safety of the resident.

This rule is not met as evidenced by:

Based on observation, it was determined the facility failed to secure all gas cylinders.

The findings included:

Observations in the group room on 1/18/11 at 8:50 AM revealed an unsecured helium cylinder.

The helium cylinder has been removed from the facility. No helium will be stored in the facility in the future.
