K 076  NFPA 101 LIFE SAFETY CODE STANDARD
SS=D

Medical gas storage and administration areas are protected in accordance with NFPA 99, Standards for Health Care Facilities.

(a) Oxygen storage locations of greater than 3,000 cu. ft. are enclosed by a one-hour separation.

(b) Locations for supply systems of greater than 3,000 cu. ft. are vented to the outside. NFPA 99 4.3.1.1.2, 19.3.2.4

This STANDARD is not met as evidenced by:
Based on observation, it was determined the facility failed to store oxygen cylinders in accordance with NFPA 99.

The finding included:
Observation on 8/27/12 at 9:41 AM revealed unsecured oxygen cylinders in the bathroom of room 401 (physical therapy station).

This finding was acknowledged by the facility administrator and the maintenance director during the exit conference on 8/27/12.

K 130  NFPA 101 MISCELLANEOUS
SS=D

OTHER LSC DEFICIENCY NOT ON 2766

1. The unsecured oxygen cylinder has been removed from the bathroom of room 401.

2. All oxygen cylinders have been checked to assure they are being stored in an area enclosed by a one-hour separation.

3. An in-service will be held with all staff to assure the proper storage of oxygen is followed.

4. The Director of Maintenance or his designee will check the oxygen storage on a daily basis for two weeks and weekly thereafter to assure proper storage.

A report will be given to the Quality Assurance Committee.

10/14/12

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patient. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
