Corrective action(s) will be accomplished for those residents found to be affected by the deficient practice.

Resident #1 no longer resides in the facility. Home services are being provided by Choices. A follow up call on 5/30/12 was made to the Choices Case Manager to see if any other assistance was needed. Needs are being met at this time by the Choices Program.

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
