A complaint investigation was conducted during an annual survey from 10/11/10 - 10/13/10. This investigation consisted of medical record review, observations and interviews. The facility was in compliance with federal and state regulations. No deficiencies were cited. | **F9999** | | | | |

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
