Psychologist Application

Dear Applicant:

This application packet is for those who are applying for a Psychologist license and includes the form for those applying for Health Service Provider (HSP) designation. The requirements for application are detailed in the enclosed Board Rules and State licensure statutes (Title 63, Chapter 11). Please read instructions, statute and rules carefully to ensure that your application is complete.

All documents submitted to the Board become part of your file and are not returnable or transferable. Your application will be reviewed for completeness and you will be notified when the review is completed. Typically, application materials are in the applicant's file within two weeks of the postmarked date. The Board's administrative staff is dedicated to the professional management of all applicant files. If you would like to personally review your file, please call the board office and make an appointment.

Acceptability of licensure application is a Board decision, not an administrative staff decision. Be aware that the review for completeness of your file does not indicate whether you are accepted as a candidate for licensure. The licensing process includes up to four reviews by the Board. Completion of one review is necessary before proceeding to the next step.

1. Review of the application, applicant's education and training, and other support materials.
2. Review of Examination for Professional Practice in Psychology results.
3. Review Oral Examination committee recommendations.
4. Review of verification of completion of HSP supervised year of experience.

The Board meets regularly throughout the year and at these meetings the Board considers applications, written and oral examination results, and HSP support materials for the purpose of licensure. The Division of Health Related Boards is empowered to issue licenses to those applicants deemed qualified by the Board of Examiners in Psychology. Licenses are generally issued within thirty days of the Board meeting.

Please understand that applicants and licensees have the responsibility to notify the board office whenever a change of name or mailing address occurs. Notification needs to be in writing. Please reference your profession and the board in your correspondence. A change of name request must be notarized and the reason for the change (i.e., marriage, divorce, etc.) needs to be stated.

Every effort will be made to keep you informed of your application's status and to process your application in a timely manner. Inquiries regarding your file will receive a response.

To ensure timely receipt of materials, all information is to be addressed as follows:

Directions for Application for Licensure

- a) You are obligated to complete the application truthfully and completely. To ensure the accurate completion of these forms, it is recommended that you carefully read both the state law and the Board rules before completing this application. In particular, the Rules in 1180-02 provide information that might be helpful in completing your application.
- b) Identifying information is requested in **items 1 and 2** on the application form.
- c) For **items 3 through 5** please provide information about the license you are seeking. Please see the Rules in 1180-02-.02 for clarification of the terms used in these questions.
- d) **Items 6 through 22** are for providing demographic and historical information. **Item 10** All applicants need to complete the attached Declaration of Citizenship form.
- e) **Item 23** is for those applicants that have held a license or certificate to practice psychology in Tennessee or any other North American jurisdiction.
- f) For **item 24** you need to provide information about the three individuals whom you have asked to provide the board with letters of recommendation. Rule 1180-02-.03(6) details the credentials that are required for those who write your recommendation letters. Please review this rule before soliciting letters of recommendation.
- g) Information about your graduate training in Psychology is requested for **item 25**. See Rule 1180-02-.02 for details about the type of training required for the Psychologist license. If you attended more than one graduate program in psychology, use a separate page to provide information on other institutions.

The issue of designation or accreditation of the degree program only matters for the training program where you completed your doctoral degree or specialty retraining. Please check with the training program if you are unsure about whether your program was accredited by American Psychological Association's (APA) Committee on Accreditation or listed by Council for the National Register of Health Service Providers in Psychology/Association of State and Provincial Boards' (NR/ASPPB) "Designated Doctoral Programs in Psychology" at the time you graduated.

- h) If you are applying for the HSP Designation, you need to provide information about your internship for **item 26**. If you are **not** applying for this designation, do not complete this item. Rule 1180-02-.02 details the type of internship acceptable for HSP Designation. Please check with your internship if you are unsure about whether the internship was accredited by APA's Committee on Accreditation or a member Association of Psychology Postdoctoral and Internship Centers (APPIC).
- i) If you are applying for the HSP Designation and you have completed at least one year of post-doctoral supervised experience, you need to provide information about this experience in **item 27**. If you are not applying for this designation or have not yet completed the post-doctoral supervised experience, do not complete this item. Rule 1180-02-.02 details the requirements for this post-doctoral experience. If this postdoctoral year was completed at more than one setting, please use a separate page to provide information on other settings.
- j) You are asked to provide information about previous employment where you provided mental health services in **item 28**. You need not include paid or unpaid graduate training-related practicums or placements. If you had more than one mental health employment setting, please use a separate page to provide information on other settings.
- k) You need to provide two (2) recent signed passport type photographs. Passport photos are head-and-shoulders pictures. After signing the back of the photos, attach them to the space provided under **item 29**.
- l) You have now completed the general application for licensure. This application will need to be signed and notarized. Please be aware that depending on the type of application and your current status in another jurisdiction, you might need to complete additional forms.
- m) You need to request that the institution(s) of higher education submit the **transcript(s) of all graduate coursework** directly to the Board office. The transcript needs show the highest degree granted, coursework and credits and must carry the official seal of the institution. Unofficial transcripts are not acceptable.

If the transcript shows that you have completed the required course work but have not received your degree, you need to have the Registrar submit a letter attesting to the date upon which you will graduate, affixed with the seal of the

institution. We will use the transcript and letter to complete our initial review of your application. Please remember that a final transcript showing your degree must be received before licensure can be granted.

Foreign trained applicants must send their transcripts to World Education Service, P.O. Box 745, Old Chelsea Station, New York, NY 10113-0745, (212) 966-6311 for assessment and their results must be mailed directly to the Board of Examiners in Psychology, 665 Mainstream Dr., Nashville, TN 37243. Supporting documents such as course descriptions, syllabi, and thesis or dissertation summaries must be supplied in order to determine equivalency of education training.

- n) Fees related to all licenses issued by this Board are detailed in Board Rule 1180-01-.03. Payment of the application fee (\$175), licensure fee (\$200), state regulatory fee (\$10), and ethics and jurisprudence exam fee (\$200) must accompany your application. Other fees might also need to be paid. **For example, those asking for a Temporary License must pay an additional \$100 and those requesting a Provisional License must pay an additional \$125.** Please consult Chapter 1180-1 of the Board's Rules in order to determine if you will need to pay any additional fee(s). A personal check or money order should be made payable to the "State of Tennessee." The application fee is non-refundable, however the other fees may be refunded if the application is withdrawn or denied. Please contact the Board administrator if you believe that any fees should be refunded to you. Refunds will take approximately eight weeks to process. You can submit one check to pay all necessary fees.
- o) The **written examination**, or EPPP, is a computer delivered 225-item test covering basic psychological science, professional application, ethics, and related considerations in psychology. Information concerning the exam can be obtained by writing to Professional Examination Service (PES), 475 Riverside Drive, New York, New York 10115. Upon approval by the board to take the EPPP the applicant's name will be submitted to the PES. Written authorization for testing will be sent to the applicant by PES with instructions to contact the chosen testing provider and information regarding the exam fee. Information regarding the EPPP can be found in Rule 1180-02-.04.
- p) **Ethics and Jurisprudence examinations** will be mailed or scheduled by the Board administrator after it has been determined that you have passed the EPPP. The purpose of the exam is to test your knowledge of Tennessee law related to the practice of psychology, the code of ethics as it is represented in the Board's Rules, and current professional standards and guidelines promulgated by the state and national organizations of psychologists. Relevant materials and references to sources will be provided.
- q) **Temporary License Forms.** A careful reading of Rule 1180-02-.05 will help you determine if you need to apply for a Temporary License. If you are eligible and need this license, separate forms need to be completed by you and the person who will be supervising while you work under the Temporary License. Both forms need to be notarized. If you do not need a Temporary License, then do not submit this form.

When your file is administratively complete, reviewed by the Board and approved, your Temporary License will be issued. In the event an application is not approved, a refund of the Temporary License fee may be requested in writing. Allow 6-8 weeks for processing this refund.

- r) **Provisional License Forms.** A careful reading of Rule 1180-02-.06 will help you determine if you need to apply for a Provisional License. This license is required for anyone completing a post-internship, post-doctoral supervised year of experience in Tennessee. If you are eligible and need this license, separate forms need to be completed by you and the person who will be supervising you while you work under the Provisional License. Both forms need to be notarized and submitted with the Provisional License fee. If you do not need a Provisional License, then do not submit this form.

When your file is administratively complete, reviewed by the Board and approved, your Provisional License will be issued. You may begin working toward your 1900 post-doctoral supervised hours once you receive this Provisional License. In the event an application is not approved, a refund of the Provisional License fee may be requested in writing. Allow 6-8 weeks for processing this refund.

- s) **Licensure Endorsement Form.** Please provide each person writing a letter of recommendation with a copy of this form and ask that the completed form accompany the recommendation letter. **Rule 1180-02-.03 details the credentials of the individuals writing letters of recommendation.**

Be aware that it is essential that you request references from individuals who have personal knowledge of, and can attest to, your education, training and performance. All letters shall be current (attesting to current or recent work), original letters on professional letterhead written specifically for this licensure application and mailed directly to the

Board by the person providing the information. Such letters are valid for one year from date of receipt. **Make certain that the psychologists writing your letters clearly indicate that they are endorsing you as a Psychologist or Psychologist with HSP designation.** They should also avoid using a letter already written for a job application. The Board may initiate inquiries if additional information is needed.

- t) The **Postdoctoral Supervised Experience Documentation Form**. This form provides the board with verification that your post-doctoral year of supervised experience has been completed and it should not be submitted to the board until you have finished the required 1900 hours. A careful reading of Rule 1180-02-.02 and 1180-02.03 should be helpful in understanding the requirements for this year of supervised experience. The form needs to be signed by both you and your supervisor and it must be notarized. If you accumulated your 1900 hours at more than one location, please provide the information on a copy of this form.
