Schedule F – Personnel

Type of Employee by Service	Please indicate the number of personnel as of 06/30 (or the last day of the reporting period). Do not include a type of employee for which you do not provide that type of service. For example, do not include Physical Therapists unless you provide Physical Therapy services. Record zero where appropriate. Leave the item blank if the value is unknown. Full Time Equivalent (FTE) = Number of Hours worked by part-time employees per week/40 hours per week. For example, three Registered nurses, each working 20 hours a week, the FTE would be (3x20)/40=1.5. For the purposes of this calculation, if your agency reimburses employees per visit rather than per hour worked, one visit equals one hour in FTE.
